2018 WILDCAT SOFTBALL CLINICS

The Linfield College Softball Program is conducting two instructional All-Skills Fastpitch clinics for girls ages 8-18 on January 20th and January 27th. All the clinic instruction will be provided by the coaches and players of the Linfield College Wildcats, 3rd place finishers at the 2015 NCAA Division III World Series in Salem, Virginia. The Linfield College softball program has compiled 11 Northwest Conference Championships, 12 National Top 15 Finishes, and an overall record of 541-123-1 since 2004 including NCAA Division III National Championships in 2007 and 2011. The 2017 Wildcats finished with a 32-10 overall record and 2nd place finish in the Northwest Conference. The Wildcats have had an amazing 30 players selected as NFCA All-Americans since 2004.

Each clinic will stress the skills and fundamentals that are necessary to be successful at any level of competition. The skills covered will include hitting, bunting, baserunning, and fundamental defensive play for infield and outfield. There will also be time for pitchers and catchers to learn from the Wildcat coaches and pitching staff. For girls ages 13-18 both clinics will also feature a post-clinic talk about developing success skills on and off the softball field and a question and answer session where clinic attendees can ask questions about college and the softball recruiting process.

DATE: January 20th, 2018 **OR** January 27th, 2018

TIME: 10:00 am – 3:00 pm for campers ages 8-12 and from 10:00-4:00 for campers ages 13-18 with a one hour break for lunch (12:00-1:00).
