

EXTREMELY IMPORTANT
Oregon Concussion Law

2014 Oregon Concussion Law - Senate Bill 721

The Oregon Concussion Law requires that until further notice ALL coaches and umpires must receive **Mandatory Concussion Training**. Further, each player under age 18 must sign along with their parent or guardian a Concussion Information Sheet. The exception is players younger than 12 do not need to sign but the parent or legal guardian does need to sign. That form must be turned into each coach, each coach will need to make a copy of the Parent/Player Information Sheet and send it to their District Commissioner.

Coach/Team Admin print enough copies for your team.
